Summary

First-year BCA student and full-stack developer (Next.js, TypeScript, PostgreSQL). Built and deployed RoundOne, an AI mock-interview platform with voice mode and per-answer scoring. Code Jam 2026 winner; completed NeetCode 150 in Java. Seeking a remote software engineering internship.

Technologies

Languages: TypeScript, JavaScript, Java, Python
Frontend: React, Next.js (App Router), Tailwind CSS
Backend: Node.js, Express, FastAPI, REST APIs, JWT, OAuth (Google, GitHub), Groq API
Databases & Auth: PostgreSQL (Supabase, Neon), MongoDB, Supabase Auth
Tools & Platforms: Git, GitHub, Vercel, Render

Projects

RoundOne — AI Mock Interview Platform | Live | GitHub

Next.js 15, TypeScript, Supabase (PostgreSQL), Groq API, Tailwind CSS, Vercel

- Built and deployed a full-stack mock-interview platform (7 API routes, 12 pages) where a conversational AI generates follow-up questions from the candidate's previous answers, with model inference around 0.2–0.4 s (Groq)
- Generated per-answer scores (0–100), written feedback, strengths, weaknesses, and a final verdict for every session
- Secured the app with cookie-based JWT auth, Google and GitHub OAuth through Supabase Auth, and row-level security on every database table
- Added voice interview mode (Web Speech API), timing-based confidence and fluency signals, session resume, score-trend history, shareable public result links, and account management (password reset, account deletion)

WorkNest — Task Management Platform | Live | GitHub

React, Node.js, Express, MongoDB Atlas, Tailwind CSS

- Built a MERN task-management platform where teams create, assign, and track tasks, with JWT authentication and per-user access control
- Designed a MongoDB schema around teams and tasks and 10+ REST endpoints covering the task lifecycle and user management

Additional Project

- Blog API (FastAPI, async SQLAlchemy, Alembic, JWT, Neon PostgreSQL) | GitHub

Achievements

- Code Jam 2026 (Coders Hub Club, DSPMU): rank 1 across all three rounds (debugging, AI image generation, DSA)
- Completed NeetCode 150 in Java

Education

BCA — Dr. Shyama Prasad Mukherjee University, Ranchi, Jharkhand | 1st Year | Expected Graduation: 2029
